Whether Lawn Bridge or . . . When can we have our bridge back?

The editor recently attended this meeting at County Hall, Matlock with Cllr Paul Smith:

Lawn Bridge Project

Required: Mike Ashworth (Economy Transport and Environment); Trevor Ainsworth (Elected Members); Sarah Eaton (Commissioning Communities and Policy); Jenny Southwell (Economy Transport and Environment); Andy Cadman; Dawn Brown (Economy Transport and Environment); Teresa Jones (Commissioning Communities and Policy); Claire Brailsford (Economy Transport and Environment); Richard Taylor (Economy Transport and Environment);

When: 02 August 2018 14:00-15:00

Location: Committee Room Three, County Hall, Matlock, DE4 3AG

Following the meeting this is what he concluded:

*The Lawn Bridge Project is currently in limbo land. **It is still official Derbyshire County Council policy to build a bridge.** However, **the current administration** at County Hall do not seem prepared to provide the necessary funding to take the project forward to the next stage and its future success. It feels like it will be under review in perpetuity.*

The Lawn Bridge Working Party has put in many years of hard work and effort. Will these plans ever come to fruition?
